

Presenting **NEW MAHINDRA TREO**
Electric 3-Wheeler. Powered by Lithium-Ion Technology.
EARN MORE SPEND LESS.

TREO
SOCH BADLO KISMAT BADLEGI

Mahindra Treo is a revolutionary new range of electric three-wheeler autos and rickshaws. Powered by the advanced Lithium-ion technology, Mahindra Treo offers higher savings, superior ride quality and best-in-class interior space. Ride the change with Mahindra Treo for a better tomorrow!

Key highlights:

Higher Savings

Low running cost of only 50 paise per km., leading to savings of up to Rs. 45000 every year in fuel cost*

Advanced Technology

Zero maintenance, lithium-ion battery with 3 years standard warranty & minimum 5 years of life.

Best In Class Performance

With 8kw Power, 42 Nm Torque Treo offers best-in-segment acceleration and torque which makes driving an enjoyable experience. Its high gradeability of 12.7 degrees makes it easy to climb slopes & flyovers.

Driver & passenger comfort

Treo offers a **clutch-free drive**. **Noise-less, vibration-free, comfortable ride**. Its seats are specially designed for driver and passenger comfort. The ergonomically designed brake pedal offers effortless breaking.

*In comparison with small body LPG autos
In comparison with traditional IC engine small body autos (All fuels).
Subject to FAME subsidies and other variable factors

Excellent safety

Treo's IP 67 rated motor gives enhanced protection from water & dust entry. The in-built rear crash guard protects passengers in case of rear impact. The optional hard top roof provides all-year weather protection.

New generation styling

Attractive dual headlamps. Digital dashboard for a quick view of the distance to empty and charge status.

Cutting-edge modular design

Space-frame architecture. Rust-free modular SMC panels for dent-free body and easy repair or replacement.

Cloud based mobility platform (NEMO*)

Remote monitoring of range, speed, location and much more for efficient utilization of fleet.

Quick charging

Charging the Treo is as simple as charging a mobile phone. It takes just 3 hours 50 min to charge Treo and 2 hours 30 min for Treo Yaari. A top up during lunch break can give you over 20** km of additional running.

Excellent visibility for drivers

Larger windscreen area ensures great visibility for maneuvering in bumper to bumper traffic.

Backed by the trust of the Mahindra brand and service network of 140+ dealers

Exclusive benefits through UDAY program

- Accidental death insurance policy of ₹10 lakh#
- Special Scholarship programs for your kids

*NEMO - Cloud-based mobility platform for vehicle tracking and monitoring
